FOR IMMEDIATE RELEASE

Centris Employees to Spend Saturday Beautifying Crestridge Elementary Grounds

OMAHA, Neb – Centris Federal Credit Union employees will spend the morning of Saturday, July 22, 2023 laboring to beautify the grounds of Omaha Public School's Crestridge Elementary, 818 Crestridge Road.

Beginning at 9:00 a.m., more than 20 Centris employees will gather at the school to clean up the grounds at the front of the building. With the help of H&H Lawn & Landscape, the Centris employee volunteers will place 12 yards of donated mulch in the area giving it a fresh look before students go back to school.

Becky Pacal, financial sales manager for Centris, worked with Crestridge fifth grade teachers and students during the 2022-2023 school year to bring additional financial education to the classroom. On a monthly basis, she and other Centris employees spent time as guest speakers, educating students on the topics of money management and financial concepts.

"We have really enjoyed our time in the classroom with the teachers and students and wanted to do something special for Crestridge. This beautification project was something that had come up in discussions with the school administrators and we have been planning the project for several months," Pacal said. "H&H Lawn & Landscape works with Centris to maintain our properties and they offered to donate the mulch needed at Crestridge. We also have plans to plant bushes and flowers at the school to add to the project." Pacal manages the Centris branch near 114th and Davenport streets which is a mile from the school.
