OMAHA, Neb., -- Centris Federal Credit Union is pleased to announce the recipients of its inaugural community grant program that awarded \$50,000 to local nonprofits.

Centris received over 160 grant applications with over \$300,000 in requested funding. The 2023 recipients of the Centris Federal Credit Union Grant are:

- A Mother's Love, Inc.
- Avenue Scholars

- Community Action partnership of mid Nebraska North Platte Senior Center
- DIBS for Kids
- Down Syndrome Alliance of the Midlands
- Papillion La Vista Community Schools Foundation
- Partners for Livable Omaha DBA Omaha Mobile Stage

With each request for funding, Centris determines where their charitable dollars will be placed based on an organizations' focus on financial education, health and human services and/or community betterment.

"Throughout the years, Centris has sponsored or donated to various causes within the communities we serve," said Dawn Gonzales, vice president, community relations for Centris. "Launching a formal grant program gave us the opportunity to see the great diversity in the grant requests," said Gonzales.

Through the grant program, Centris aimed to empower the recipients and help them achieve lasting impacts.

"We were introduced to many nonprofits that are making ripple effects in our communities and we are excited to be able to assist in their efforts."

Centris will be launching their 2024 grant program application process in summer of 2024. More information will be available on their website at centrisfcu.org.
