Centris Named to Top 300 List for First Mortgage Originations

OMAHA – Centris Federal Credit Union has been named to the American Credit Union Mortgage Association (ACUMA) Top 300 list for first mortgage originations by credit unions. It's the only credit union in Nebraska to make the list.

Centris was ranked 232nd out of the top 300 largest credit union mortgage originators in the United States. It ranked 164th in the nation for second mortgage originations, also the only Nebraska credit union to make the list.

“There are currently more than 3,000 credit unions across the country that originate first mortgages, so to be in the top 300 is exciting,” said Heidi Weeks, vice president, real estate lending. “Our lending team works hard to let everyone know within our communities that we are their local mortgage specialists. This ranking shows we are doing a good job of that.”

Centris offers local decision making and local servicing on conventional fixed rate and adjustable term loan options, new construction loans and first-time home buyer programs. Centris also offers VA and FHA loans. For more information, visit www.centrisfcu.org/mortgages.

Centris Federal Credit Union, founded in 1934, is one of Nebraska's largest federally chartered community credit unions. Centris serves Douglas, Sarpy, Lincoln, McPherson and Pottawattamie counties, and has 15 offices located in Omaha, Grand Island, North Platte and Tryon, Neb., and Council Bluffs, Iowa. Centris has been voted Omaha Magazine's Best Credit Union for 14 consecutive years. For more information, visit www.centrisfcu.org.
