FOR IMMEDIATE RELEASE

Centris Federal Credit Union Celebrates Groundbreaking for Second Bellevue Location

OMAHA, Neb., May 28, 2026 - Centris Federal Credit Union marked an exciting step in its continued growth with the groundbreaking of a new branch location in Bellevue, Nebraska. The upcoming full-service facility will be near the intersection of 25th and Capehart Road, further strengthening Centris's presence in the community it has proudly served for years.

The groundbreaking ceremony, held on Thursday, May 28, at the future branch site, brought together Centris leadership and community representatives to commemorate the start of construction and the organization's ongoing investment in Bellevue.

"Bellevue has been an important community for Centris, and this new location represents our commitment to expanding how we serve our members here," said Ann Helm, Executive Vice President and Chief Experience Officer. "As our membership continues to grow, we are focused on creating more opportunities for convenient access and meaningful in-person financial guidance."

Expected to open in late 2027, the new branch will deliver a full suite of financial services designed to support both individuals and businesses. Members will have access to checking and savings accounts, lending solutions including mortgage, auto, and home equity options, as well as personalized financial support. The branch will include features such as drive-thru banking, a spacious modern interior, and private consultation areas for one-on-one service with financial professionals.

Progress updates and key milestones for the new branch will be shared on Centris Federal Credit Union's social media channels: Facebook, Instagram, X, and LinkedIn.
