FOR IMMEDIATE RELEASE

Centris Members Make a Difference Through Debit Card Give Back Campaign

OMAHA, Neb – Centris Federal Credit Union is proud to announce the successful conclusion of its Visa® Debit Card Give Back campaign, which raised \$7,363.46 for Credit Unions for Kids® — all thanks to members doing what they do every day — using their Centris Visa® Debit Cards.

For every qualifying debit card purchase made from February 2, 2026, to April 30, 2026, Centris Federal Credit Union donated on behalf of its members to Credit Unions for Kids, the charitable foundation benefiting Children’s Miracle Network Hospitals, which helps our local Children’s Nebraska, the state’s only full-service pediatric hospital dedicated exclusively to kids.

The campaign transformed ordinary purchases — such as groceries, fuel, bill payments, and dining out — into meaningful contributions to the community. By using their Visa® Debit Cards as they normally would, members collectively contributed to funding critical care, equipment, research, and services for children and families who need them most.

“Being an active contributor to the communities we serve is a core part of our mission as a credit union,” said Kris Schuler, Payments Manager at Centris Federal Credit Union. “Our members already use their Visa® Debit Cards to take care of their everyday needs. This Give Back campaign made it easy for them to turn those everyday moments into something bigger. It’s a great example of what can happen when we all come together — simple choices can add up to an extraordinary impact.”

By using their Centris Visa® Debit Cards, our members made this campaign a success and brought the credit union philosophy of *People Helping People* to life in a powerful way.
